

Wall box 300mm x 300mm

Description

This wall-mounted box is with one cable entry/exit duct (equipped with brush) at both the top and bottom. Supports installation of 10-inch panels and features an 8mm grounding bolt for electrical safety.

Designed for organized cabling and reliable grounding, this enclosure is commonly used in indoor network distribution scenarios requiring moderate protection and easy maintenance.

Enclosure dimension: L300mm x W300mm x H100mm.
